# Shriners' Creed

---

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name.

We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed, and the heritage from which it emanates.

As individuals, we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers, we offer each other fraternal affection and respect. Together, we support each other in adherence to this creed, so that we may positively impact our communities.

As Shriners, we look beyond ourselves to serve the needs of others, especially children in need of specialized medical care. We believe Shriners Hospitals for Children to be the world's greatest philanthropy, and we support its "temples of mercy" with spirit, time, talent and means.

# Shrine Pledge Of Allegiance

---

Shriners International is an international fraternity with members throughout the world, therefore, the Shrine Pledge of Allegiance recognizes and honors the flags of all countries.

A noble wearing a fez during the pledge should execute a right-hand salute. A noble who is not wearing a fez should place his right hand over his heart.

Protocol having been established, active military and veterans are always authorized to salute as directed by their governmental or military protocol.

The pledge is as follows:

"I pledge allegiance to my flag and to the country for which it stands, one nation under God, indivisible, with liberty and justice for all."

# Prayers

All prayers at Shriners events are non-denominational. During a prayer, a noble wearing a fez should remove it and hold it over his heart. At the end of a prayer, the response is, "So mote it be," which is another way of saying, "The will of God be done."

# Salutations

A Potentate or Past Potentate is always addressed as "Illustrious Sir," while an Imperial officer and all past Imperial officers are addressed as "Imperial Sir." Members of the temple, including the elected Divan members who are not Past Potentates, are addressed by the title of their office or "Noble."

The appropriate salutation among Shriners is "Es selamu aleikum" (pronounced AH sell-AHM uh-LAKE-um), which means "Peace be on you." The proper response is "Aleikum es selamu," (pronounced uh-LAKE-um AH sell-AHM-uh), which means "On you be the peace."

# Shrine Clubs & Units

---

The best way to enjoy your membership in the Shriners fraternity is to get involved. A great way to participate is to join a club or unit.

Shrine clubs essentially serve as “mini-temples.” As each temple's geographic jurisdiction may be vast, far from the location of the home temple or office, clubs are created in the temple's outlying areas to keep nobles active and involved in Shriners activities. Shrine club membership is composed exclusively of nobles.

Units are made up of groups of nobles with similar interests and temples are encouraged to establish new units regularly, based on the interests of their new nobles. Service units benefit the nobility or the temple, providing (for example) maintenance, first aid or hospitality. Performing units primarily provide entertainment for Shriners or the general public. Examples include clown groups, marching bands and mini-car drivers. Units usually participate in

community parades, and many compete against similar units from other temples.

The main purposes of Shrine clubs and units are to:

- » Promote interest in Shrinedom among members by offering fellowship and fun activities for nobles and their families.
- » Foster camaraderie and brotherhood among nobility.
- » Connect members who have similar interests.
- » Raise awareness of the Shriners fraternity in local communities.
- » Educate the public about Shriners Hospitals for Children.
- » Conduct fundraisers to benefit Shriners Hospitals for Children, and temple, club or unit operations.

# Fezzes & Pins

---

Nobles should wear their fezzes at stated meetings, ceremonials, Shriners parades, special Shriners events and other Shriners-related activities.

The fez is not a bulletin board or advertising space. The only pin permitted on the fez is one to hold the tassel in place. The fez shall be worn in its proper shape, without crushing, creasing or alteration.

As a Shriner, you are asked to not wear your fez in any company or place where you would decline to introduce your mother, wife, sister or daughter.

A Shriners lapel pin may be worn on the left lapel of a suit coat or jacket, and is appropriate to be worn anytime a noble wishes to represent his fraternity.

# Frequently Asked Questions

---

## How did the Fraternity Adopt its Theme?

Similar to many college fraternities following a Greek theme, the Shriners fraternity also reflects a particular theme – Arabian Nights. The fraternity's founders, Masons Walter Fleming, M.D., and Billy Florence, an actor, fashioned a colorful backdrop for their new fraternity based on an Arabian Nights-themed party Noble Florence attended while touring Europe.

## What is the prerequisite for membership?

All Shriners must first be a Master Mason in good standing in a lodge recognized by or in amity with the Grand Masters Conference in North America, the Interamerican Masonic Confederation and/or the World Conference of Grand Lodges. All Shriners must maintain their Masonic membership and are encouraged to actively participate in Lodge activities.

### How are my annual renewal fees divided?

Each temple's dues may vary. But, typically, a portion of your dues is paid to Shriners International as a per-capita tax, and a \$5 assessment goes to Shriners Hospitals for Children. The balance is used for temple operations. Lifetime prepayment membership options may be available for each portion of your annual renewal fees.

### What are my responsibilities as a Shriner?

Each Shriner is expected to:

- » Be as active as possible.
- » Help the fraternity by recruiting new members.
- » Support the philanthropy by helping children who may benefit from the expert medical care provided by Shriners Hospitals for Children.

### How can I support Shriners Hospitals for Children?

There are many ways to support the philanthropy, including volunteering at a Shriners Hospital, transporting patients to the hospital for care or visiting the

kids in the hospital. You can also support the hospitals by hosting fundraisers to benefit the philanthropy or by making donations to Shriners Hospitals for Children. For more information about the many giving opportunities available, please visit **donate2shc.org** or call **844-739-0849**.

Temples are broadening their base by providing unique opportunities for families. With Potentate approval, nobles, their ladies and children may participate in civic parades.
