Nobles, Ladies, and Shrine family members 2024, as I sit and write the final submission for the Hi Noble and review the year in my head, I am reminded of all the good times we have had this year and our entire journey on the Divan. We have made so many new friends and learned so many great stories about our Shrine Center and our Shrine Family. We have had many wonderful times and thank all the Nobility for making our 2024 Shrine Year so much fun.

My heart gets heavy as remember the passing of friends who have made that final journey this year to that house not made with hands eternal in the heavens and hope their families have found some peace and healing from their loss. I especially think of our Assistant Rabban, Noble George Messinger, he is greatly missed. We are blessed to have Nobles willing to step up and fill vacancies as they occurred to keep the Shrine moving forward.

We have had so many different highpoints during this year, Installation, Potentate's Ball, parading with the Temple, Potentate's Cruise, Rodeo, Imperial Session, Cruising with the Yacht Club, MASA, SASA, and the Family Picnic and a few still to come. Many thanks to the Nobility, the Units and Clubs of Khedive for all your support in making the events a success.

As I am looking through the pictures of the 2024 Urbanna Parade, the final Temple function parade and thinking of all the rest of this year's parades, we want to thank the Nobles and their families for supporting the Shrine by actively participating in parades. We find that parades are a unique opportunity to show our support to the communities we live and work in and to get our message in front of many non-Shriners.

You, the Nobility, have been electing new officers for your Units and Clubs for the 2025 Shrine year. This renews the organization by bringing new ideas and new energy to it and those Nobles stepping into those Officer positions will need your support as we move into 2025. I look forward to seeing what new ideas the incoming officers and Divan will bring. I know that Noble Dink Pope and the rest of the 2025 Divan (pending favorable elections) have some great ideas, and I hope that you will get behind them and show them your support for the Shrine by getting out and participating.

For all the Official Family I want to say thank you for all the support and hard work you have put in this year. There were many days and nights, countless hours, that they put in to carry out the many functions and meetings we had. Their efforts on the Official Family are in addition to their participation with their Units and Clubs. There is no way to express the gratitude that Lady Donna and I feel for their help, aid, and assistance. Without you this year could not have happened. You were all terrific and we thank you.

As we enter the Holiday Season, please be safe on your travels to be with your family and friends. Take time to celebrate your successes of 2024 and learn from the many challenges you have faced. Always remember that while the holidays seem hectic and rushed, that we always need to take time to remember the reason for the holidays and celebrate that with our family and friends.

Lastly, I want to express gratitude for the support of my wife, Lady Donna. Her support made my journey to Potentate possible, and I could not have done it without her. She is and has been the love of my life and after 49 years of marriage she still makes my life worth living. Thank you, Donna, Love you!!

## Potentate's Message

*John Brown*

Greetings Nobles,

This year has flown by, and our schedule has been busy. MASA and SASA were a lot of fun as always. Thank you for coming out and supporting the temple at these events. At the beginning of October, the High Priest and Prophet and I enjoyed a day at the Masonic home visiting with friends and seeing Illustrious Sir Jim Canterbury. The rest of the Divan was at the Suffolk Peanut Fest representing Khedive Shriners. We followed this weekend with the Chevy Cornhole Tournament. This is always a wonderful event.

The Sportsman's Raffle occurred at the end of October with a great showing. Although we did not sell out, we sold more tickets than the previous year. Also, please remember that the temple 50/50 is still going on with a chance to win up to \$20,000. The winner will be drawn at the December 21st business meeting.

The December 21st business meeting will be the election of officers and your support on getting this far means the world to me. As I look forward to 2025, I hope that you will continue your support and come out to the business meeting.

With the holidays approaching I know there will be many parties and installations. I hope to attend as many as possible with my schedule. Lady Michelle and I want to wish you all a Happy Holiday season!

Fraternally yours,

Walter "Dink" Pope Jr

Greetings,

As the weather outside is changing, so are things at Khedive Shrine Center. With the untimely death of our Assistant Rabban, Noble George Messinger, I was elected at the last Business Meeting to take his place. George and Lani had worked hard for this Divan and for the Khedive Shrine Center. Please keep them both in your thoughts and prayers. I would like to thank the Nobility for putting your trust in me in fulfilling this office. With your support, we can have a successful term that George and Lani would be proud of.

Since being elected, I have had the honor of representing our Shrine Center at MASA, SASA, the Sportsman's Raffle, Suffolk parade, Urbanna's parade, and at some of our Units and Clubs meetings.

As this Shrine year comes to an end, I would like to congratulate Illustrious Sir John Brown and Lady Donna on a fantastic year.

As the Holiday season approaches, I ask you to remember the reason for the season. Lady Debbie and I look forward to seeing each of you at your Unit and Clubs Installations and Christmas Parties.

From our household to yours, Merry Christmas and Happy New Year.

Sincerely and Fraternally,

Greeting Nobles,

Where did 2024 go? It's hard to believe that this is the fourth quarter and last edition for the 2024 Hi-Noble. What an exciting year for me and Lady Sheryl to serve Khedive and our Hospitals once again.

Thank you to each Unit and Club for having your annual fundraisers. In an effort not to leave anyone off, I will refrain from listing each event. With your help and the generous contributions from your individual fundraisers, we continue to make great strides in helping our Shrine Children all the while helping our Shrine Center stay afloat. I would like to thank all the Units and Clubs who came out and worked the Annual Rodeo and those who worked the Sportsman's Raffle. Without your help, these Temple Fundraisers would not have been possible and successful.

Noble Dink and I were proud to represent Khedive at the Annual Masonic Home Day festivities. What a great time had by all Virginia Masons. Thank you to Khedive Chevy's, Khedive Scooter Patrol, Khedive Mini 18 Wheelers/Jeeps, and the one Hillbilly that participated in the parade. We had the pleasure to chat with Illustrious Sir James "Jim" Canterbury and Past First Lady Jeri. For those of you that don't know, Illustrious Sir Jim and Lady Jeri are now living at the Masonic Home. The next time you stop by the Masonic Home feel free to stop by and say hello.

As the holiday season approaches, let us be thankful for the many blessings each of us have every day. Let us be proud to not only be a Mason, but a Shriner as well. Remember everything we do is for the Children.

The next couple of months are busy as we attend the various Unit and Club installations and Christmas parties, the Stag party, and the Children's Christmas party. Each year, I look forward to attending as many as possible. As a reminder, check out the Khedive website for the up-to-date calendar and current news. The Annual Business Meeting will be held on Saturday, December 21<sup>st</sup>. Come on out and support your Temple as we elect new leadership. Boy, we will need it next year. LOL

Lady Sheryl and I would like to congratulate Illustrious Sir John and First Lady Donna on a very successful year. From the REAL Navy to the ankle-deep Coast Guard, BZ! Soon you will be able to say "Back in my year" we did this.

Fraternally,

Dave Wilson

## Oriental Guide

*Terry Riley*

The 2024 Oriental Guide’s journey is coming to an end, my how the year has passed us by. Here it is, October, and going into the Winter Festivals and all those Christmas parties and Elections of Officers who will lead us into the following year. Looking back on the last 3 months, we started off with the Scooter Patrol’s Luau, absolutely one of the best events of the year. My first time at this event and what a great time it was. I would encourage everyone next year to attend and enjoy the music, dancing, and great food, you won’t be disappointed.

August brought us the Cape Charles parade, it’s a smaller parade, but it’s a great time. The Fire Department fed us after the parade and made a nice donation to the Shrine. I’m looking forward to next year. Next up was the record-breaking Khedive Auto’s Car Show that was a showstopper, with over 280 cars and one flying saucer, it turned out to be their biggest event ever. They let me judge cars this year, which was fun as well. Shout Out to the Auto’s Job Well Done. By the end of August, we had our Open House and Ceremonial. We had fun, and I believe the candidates had an experience they’ll never forget. For those Nobles who brought in new Shriners, thank you, keep up the good work, be sure to reach out to them and invite them to attend your Units and Clubs’ meetings, let’s get them involved.

September brought MASA, and although it rained a little bit on Saturday which dampened our parade, the Units and Temples that did march, put on a great show. Thank you for attending and enjoying all the festivities prior to the parade. Two weeks later, we were in Myrtle Beach. Always a good time, good food, good fellowship, and good times. Khedive Shrine Golf Classic had us finishing off the month with another sold out event. Although the team I was on didn’t win, I believe we all won by being there, supporting the Shrine and our mission to help Shriners Children’s.

See you next quarter as the journey continues. Don’t forget, we have 50/50 tickets for sale with a chance to win \$20,000 dollars. If you can sell some tickets, see Lani in the front office, she’ll be glad to give you as many tickets as you need.

Once again, please make every effort to come out to your Shrine Center and enjoy yourself, get involved, make new friends, sell tickets, volunteer your time, and help your Temple grow. This should not be the best kept secret, spread the word.

YEAR**

Greetings Nobles ~ This year has flown by and is quickly coming to an end, and it will be time for the Christmas Parades and annual Christmas/Installation parties.

I would like to thank Illustrious Sir John Brown for a great year. His leadership, and Lady Donna's, have been excellent.

I want to thank all the Nobility and their Ladies that supported each of the Temple's events and fundraisers. Without you we couldn't do it.

I hope the Officers of all the Units and Clubs have accomplished all they had planned for the year of 2024. A word for the incoming Captains, Directors, and Presidents, as well as the Secretaries and Treasurers, you all have a responsibility as a leader of your Club/Unit. If you don't know a requirement or have a question regarding a function, Temple Bylaws, or Imperial By-Laws, please call the Recorder's Office. If we don't know, I can always call the appropriate person in Tampa and get you an answer.

To all Unit/Club leaders, remember that each of you should assign a U/C member to complete the required information in WebFez.

I will email or put in mail slots in the Unit Building for each Unit/Club Captain/President a form called "Reports of Shrine Clubs and Temple Units Financial Statements," better known as 990 forms. Please complete not later than February 1, 2025, and mail it back to me with the supporting documentation that is asked for on back of the form. The requirement is mandatory. This is your input for the year 2024 taxes we have each year for the IRS.

Noble, now is the time to start planning for the Imperial Council, MASA, and SASA conventions. Deadline for the Imperial Council is February 1, 2025. Remember, your room binder fee (non-refundable) must be paid now to reserve a room (\$20.00).

Lady Cheryl, and I, would like to thank to for your support this year. I would like to thank the Nobility for electing me to serve as **YOUR** Recorder. It has been an experience that I have thoroughly enjoyed. I believe that I have been able to meet your expectations. Once again, thank you!

From our house to yours; Merry Christmas and a Happy New Year!

Also, from all the personnel in the Temple's Office to all the Nobility of Khedive Temple, and the Ladies, we wish each of you a Merry Christmas and Happy New Year.

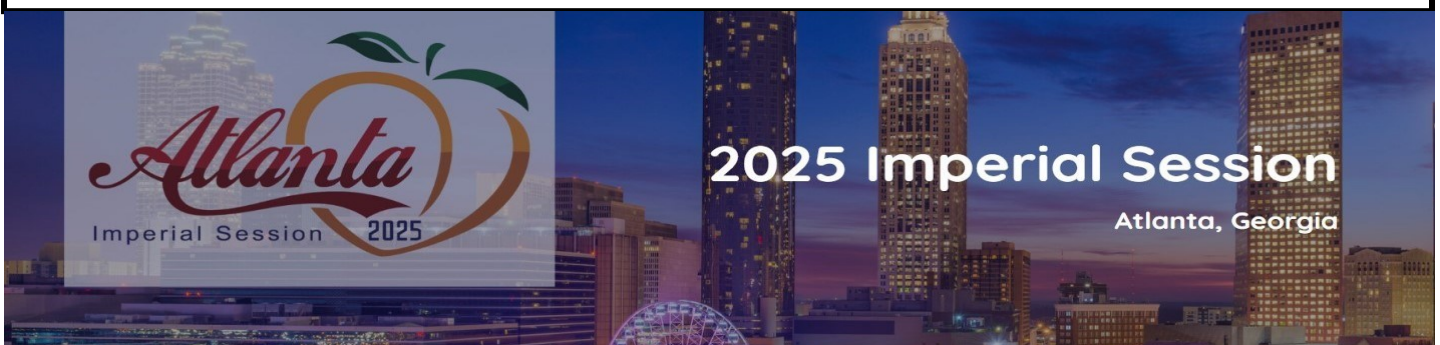

Don't forget the Annual Business Meeting and Temple elections on December 21, 2024. You must be current on your 2024 Temple dues to attend.

Yours in the Faith,  
Wayne Kelly  
Recorder

## Hillbillies

Greetings from the Hillbilly family, I cannot believe the year is almost over. It has been a great year for the Hillbillies. We have been in so many parades, we have been out supporting our own local lodges and youth organizations and other Units and Clubs.

MASA 2024 was a great time shared by all. Thank you to our special Ladies that took time to come out and join us for dinner

Friday night. It is always a pleasure to see your smiling faces. As always it was a great time to fellowship with all the other Shriners from the states. We had a great time in the Parade despite the rain.

We just finished Urbanna, and it was an amazing time staying at the Pilot House Inn with our annual fish fry and oyster and shrimp feast. Sitting by a fire listening to music and just having some great fellowship. The parade was awesome, and a good time was had by all. Before the parade, we went up and down the streets, seeing all the vendors and having such a great time.

Don't miss out on all the fun and excitement Noble John Boyle (Director Elect) and Noble Nate Butler (Associate Director Elect) have planned for 2025.

Come on out and check us out.

As the year winds down, we would like to wish everyone a happy Thanksgiving and a Merry Christmas and a Blessed New Year. May you and your family enjoy what has been given to us by the creator of all.

## Autos

Greetings from the Autos. Wishing everyone a Very Merry Christmas and a Happy New Year. Wow what a year this has been. Time has moved so fast. We are looking at the end of the year already.

Our Autos Car Show was one of the best we have had in 32 years with 307 Show Cars and 315 registered. Had many who attended say what a great event, just looking forward to having one as good in 2025.

Everyone was all shined up and ready for the MASA Parade when Mother Nature said how about a little rain. Still had a good turnout of cars and wet onlookers.

Now it's time to roll on to the Suffolk Peanut Parade, looking forward to a great breakfast at the Suffolk Masonic Lodge. We followed this up with the Urbanna parade.

Next is our Christmas party and installation of Officers on December 7<sup>th</sup> as we welcome aboard our new 2<sup>nd</sup> Lt. Jim Bennett looking forward to having a fun-filled evening.

Anyone looking to ride or just likes old Cars come and join us! We meet the second Monday of the month at 6pm with refreshments and meeting at 7pm.

Secretary  
Dave Clark

## Arab Jeep Patrol

Greetings Nobles and Ladies,

The fall season has been busy for the Khedive Jeep Patrol. We had 6 Jeeps on hand for the Mid-Atlantic Shrine Convention at Virginia Beach. Two weeks later we were able to travel to the South Atlantic Shrine Convention in Myrtle Beach with 3 Jeeps. We had 5 Jeeps on hand for the Suffolk Peanut Festival, and The Urbanna Oyster Festival.

The members of the Jeep Patrol have been out in force, working several events to sell Sportsman Raffle Tickets. This fall we have been out on display at Froggies, Jamacia Inn, Poppa's Pub, Bubba's 33 & The Garage Brewery,

The Jeep Patrol will again be co-hosting the Frostbite Golf Classic with the Mini 18 Wheelers on January 20, 2025. We have got some really good "extra's" lined up for the putting contest, a \$5,000 Cash Hole-in-One prize and 3 \$1000 Hole-in-One prizes, and let's not forget the great soup to keep you warm throughout the day

Shrine veterans and new Nobles, if you already own a Jeep or have always thought about how fun it would be to own a vehicle that you could drive to work, onto the sand, sling some mud around, cruise around in and be part of the Khedive parades, then The Jeep Patrol may just be the outlet you need. Many of our Nobles who belong to other Units can still join us and participate with us when your Unit is not on the streets. We invite you to come out and be a part of the Khedive Jeep Patrol. Many of you may either know Master Masons or friends who already own Jeeps and would have a great time being part of this terrific organization.

The Jeep Patrol meets on the second Monday of each month, 7:00 p.m., at Khedive Temple.

Es Selamu Aleikum!

Noble Chris Dell  
Khedive Jeep Patrol Captain

## Mini-18 Wheelers

Greetings Airhorn Fan Club Members,

The Mini 18 Wheelers have been hitting the streets for the past few months.

We had a very good showing at MASA with 6 trucks on hand this year. Even with the rain we still had a blast. One of Khedive's newest members, Noble Josh Gratia enjoyed participating in his first parade while driving a Mini Rig, later that day Noble Josh did a great job tending bar at the Khedive hospitality room.

A huge thank you to Miss Betty Tucker, and Ocean Eddie's crew for once again providing breakfast at Ocean Eddie's prior to the MASA parade. What a great way to start the day!

Thank You to Noble Eddie Foley who did an outstanding job cooking the MASA Post-Parade lunch. A special Thanks to his wife, Kristine for all her support and all the Khedive members and ladies who worked behind the scenes to keep the food and drinks stocked.

In early October we had to split duties with members going to MAHOVA & The Suffolk Peanut Festival Parades on the same day but managed to make a good showing at both events. At our October meeting we welcomed our newest member to the Unit, Noble Ken McSpadden. Noble Ken, joins us from the ACCA Shriners and jumped right into the mix with the Mini 18 Wheelers at the Urbanna Oyster Festival, maneuvering the streets with "precision" 18-wheeler skills!

In addition to the parades, we have been out in force at several static display events with the selling Sportsman Raffle tickets and handed out informational flyers for Freemasonry and the Shriners. Thanks to the Jeep Patrol, Chevy's and Clyde Drifters for joining us at The Garage Brewery for a static display.

This winter we will be co-hosting with the Jeep Patrol, our 3<sup>rd</sup> Annual Frost Bite Golf Classic, Monday January 20<sup>th</sup> so mark your calendars and get your teams together for a frosty good time. We have added one \$5,000 Hole in one Prize and 3-\$1000 Hole in One Prizes. In addition, there will also be several other fun events to help your team improve its score

We currently have 2 rigs available, so if you've always dreamed of being part of the Khedive's best-looking Unit then we encourage you to come out to the truck stop for a visit.

We typically meet on the first Monday of the month. (Except for major holidays)

Melvin Fortson  
Captain  
Khedive Mini 18  
Wheelers

## Provost Guard

### Greetings Nobles

We have gone from the slow doldrums of Summer to, is there enough time in the day for all the exciting activities within the Temple and specifically the Provost Guard.

To bring you up to date: a few days after the last Hi-Noble article was entered the Provost held an appreciation social for our Ladies and their friends who have been so instrumental in helping with our fund raising. The Provost Guard could not do without their help and support. The social was very well attended and the Ladies seemed to appreciate their embroidered aprons.

As we entered into September there was MASA and then a very successful barbecue fundraiser. We would like to thank Chris Robertson who took the lead at the last minute and everyone who came out and pitched in. We

then made the migration to Myrtle Beach and SASA, where the Provost Guard had an excellent turnout. Captain Terry Cogdill and his Lady Karen along with his Officers, Provost members and their Ladies

were outstanding hosts and provided everyone with an amazing hospitality room. As always SASA is one of the highlights of the year.

Upon returning from Myrtle Beach, it was back to work with a large catering event. This fundraiser would not happen if it were not for the tireless effort and countless hours of many people. A few people I would like to mention are Colonel Mike Warlikowski, the Provost Ladies and their friends and special thanks to the Bent Barrel Hunt Club, and all their help. Thank You.

We might be getting older, but it does not mean we are slowing down. There was the bus trip to the Urbanna Oyster Festival Parade. Which was highlighted by lunch provided by Colonel Alan Cannon and the much-anticipated parade. We topped off the fun day with the bus breaking down on the way home. It just helps add to the memories.

There are still many opportunities this year to get involved. In both Provost and Khedive Temple. And as we look forward to next year,

we want to thank Captain Terry Cogdill and his Lady Karen along with his Officers for all the hard work that was put into making 2024 a successful year. Our 2025 Officers will be Captain Cliff Walker, 1st Lieutenant Ill. John Brown, 2nd Lieutenant Mike Phelps, Sergeant Duane Gill, and Secretary Bobby Smith.

One last thought. We would like to thank Provost very own Ill. Sir John Brown and his Lady Donna for an outstanding year as Potentate. Many Thanks.

Please remember, if you do not have a Unit to call home, we would like very much to have you visit one of our meetings. We meet on the 2nd Wednesday of the month. Social at 5:30, meeting at 6:30.

PC Mike Phelps

## Yacht Club

Commodore Gil Clyburn

It's hard to believe that another year is almost over. Seems like just yesterday we were making plans for 2024. With Thanksgiving and Christmas around the corner it will be 2025 before we know it

The weather for our Potentate's Cruise to Smithfield Station was fantastic. Potentate John Brown and Lady Donna were able to ride up from Hampton aboard the "Lady K" With Travis and Kathy Twiford to attend the festivities. We greatly enjoyed their company that weekend.

Our officers for the 2025 will remain the same as last season:

- Commodore – Gil Clyburn
- Vice Commodore – David Schroy
- Secretary/ Treasurer - Ray Clyburn

We welcome you to join us on any cruise or at any of our meetings. Owning a boat is not a prerequisite for membership, just a love of the Chesapeake Bay and its tributaries and the desire for good fellowship is all that is required.

"May your anchor be tight,  
 May your cork be loose,  
 May your rum be spiced and  
 May your compass be true."

Merry Christmas and Happy New Year from all of us in the Yacht Club. May 2025 be a healthy and prosperous year for you, your families, and our blessed Fraternity!

## Peninsula Shrine Club

By: President Paul John Nelson

Winter will soon be upon us with shorter days, longer nights and cooler temperatures. The holiday season will be ushered in with Thanksgiving feasts shared with family and friends while we give thanks to the many mercies and blessings we have received over the year. Christmas will bring hopes for peace on Earth as we celebrate the birth of our Lord and Savior Jesus Christ. On behalf of the Peninsula Shrine Club, I wish you all a Merry Christmas and a Happy New Year in 2025!

Our August meeting saw 38 total attendees with a few new men and Masons who expressed interest in joining our great Fraternity and supporting our great philanthropy. I hope their interest turns into petitions for membership and creation of new Shriners.

I'd like to thank Potentate John Brown, the Divan and the Ritualistic Divan for a phenomenal Fall Ceremonial. The Units & Clubs opened the doors to their Club rooms and offered fine fare while explaining to potential new members who they are and what they do. The breakfast crew fed the masses on Saturday morning even though the crowd was much larger than anticipated.

Our September meeting was "Ladies Night", and we shared with the Club thoughts and photos of our trip to the Shriners Hospital in Greenville, South Carolina back in March.

Our October meeting was well attended with Deputy Kevin Taylor of the York Poquoson Sheriff's Office providing information on avoiding scams and other crime in our community. We held our election of Officers for the Peninsula Shrine Club with Officers as follows: Illustrious Sir

Henry Farnum (PP) President, Noble Art Strode Vice President, Noble Pete Eure Secretary, and Noble Ed Gretka Treasurer.

Peninsula Shrine Club continues to grow and cultivate a new group of Shriners which will hopefully translate into more fellowship and fun as well as financial support to the Khedive and the Greenville Hospital.

Peninsula Shrine Club meets on the fourth Mondays of each month (except December) at Joe & Mimma's in Grafton, Virginia. We extend an invitation to our friends from the Southside to come out and experience the Fun, Friendship and Fellowship that the Peninsula Shrine Club has to offer. We look forward to continued fun under the leadership of the Khedive Potentate and Divan. Please be safe and hope to see you soon.

**The Law & Disorderly Club** was started in 1983 by attorney Peter G Decker, Jr. It started with 13 members and has grown to 100 members. The Club is made up of active and retired Law Enforcement, lawyers, Judges and community business leaders. Every year they raise thousands of dollars which are donated to local and National charities. It's all about the kids.

This year, they presented a check in the amount of \$1,000 to Illustrious John Brown for Shriners Children's. We thank them for their generous support of our children.

## Drum & Bugle Corps

Greetings Nobles,

The time has come for the end of the year to arrive. With that being said, we are looking into the future to plan for our endeavors to help the cause of what we are doing for the next year. We had a productive year, and it is commendable even though our numbers have declined. We can advertise by word of mouth and educate those on the outside of what we do. That way, we can increase our numbers to support our ongoing activities.

With the last few months of this year, let us support the remaining activities that are left such as the Oyster Bowl and the Christmas Parties. Also, let's take the time to reflect for the reminder of the year for next years.

Yours, fraternally in the faith

Christopher Huss  
Assistant Director

## Tidewater Shrine Club

The Tidewater Shriners have had a busy, productive year with our various fund-raising efforts supporting our Shriners Hospital and the Khedive Shrine Center.

As this is being written, we are closing out the Sportsman Raffle ticket sales headed up by Noble Troy Hanson and continuing our long-standing Plaque Program fundraiser headed up by Noble Jon Beck. The upcoming year will again have the Club raising funds with the Paper Drive and Onion Sales events headed up by Noble Bobby Williams. We also plan to participate in various community parades showing off our antique parade vehicle which is maintained by Noble Mitch Dunston.

Unfortunately, our plans for a motor coach trip to the Greenville Shrine Hospital have been cancelled. We plan to reorganize and plan a future visit probably in 2026.

We did play a part in the restoration of our Temple's Shrine Emblems. Illustrious Sir Mark Cook and our Club supported Khedive Shrine friend Patsy Walker with the project. See page 22 of the 2024 Third Quarter Hi-Noble for the whole story!

Our annual election in October elected Noble Rick Taylor as the Tidewater Shrine Club President for 2025. He and the other Officers will be installed at our December 19<sup>th</sup> Official Meeting and Christmas Party. Come out and celebrate the year 2024 and toast in the New Year with Noble Mike Dunston's famous "Tidewater Kicker".

Yours in the Faith,  
Chip Roady, Club President

## IMPACTING CARE

SUPPORTING SHRINERS CHILDREN'S™  
FIRST LADY JUDY BURKE  
2024-2025 CHAIR

Women Impacting Care, chaired by Shriners International's First Lady, is a thoughtful group of women donors, supporters and advocates who have bonded together to help highlight services and programs of Shriners Children's. This year, First Lady Judy Burke has chosen to focus on Shriners Children's mission to provide life-changing care to children with burns with her program, "On Angels' Wings."

Inspired by a personal firsthand experience with the exceptional care provided by Shriners Children's, Lady Judy has chosen to support burn care and all the wraparound support services that are needed to provide healing for children and their families who have experienced devastating burn injuries. The theme, "On Angels' Wings," reflects how it often feels that our patients and families stand on the wings of angels. These wings are often borne by our healthcare team – doctors, nurses, rehabilitation specialists, psychologists – as well as road runners and the amazing network of nobles and ladies. Our patients and families know these angels supply their wings of love through their work and dedication.

### COMPASSIONATE BURN CARE THAT EMBRACES THE WHOLE FAMILY

Pediatric burns can be among the most painful and difficult injuries a child can sustain and are frightening and stressful for the whole family. Shriners Children's treats all levels and types of burns, including scalds, chemical burns, electrical burns and flame burns. The highly specialized teams are known around the world for their expertise and their innovative, caring and personalized approach to treating burns in children.

After the patient arrives at one of our hospitals, our incredible doctors and nurses develop a treatment plan for the child. They share what to expect with the family and continue to partner with them throughout the healing journey. Lady Judy knows firsthand that this gives the family a sense of relief that our providers will do the very best to help their child return to their daily lives as quickly as possible.

Parents play a large part, as well, in caring for the child. Shriners Children's is a special place where compassionate nurses, care managers, therapists and physicians care for the whole family as much as the child.

### WRAPAROUND SUPPORT SERVICES

Shriners Children's has the resources to support patients throughout their treatment, including occupational, physical and child life therapy, scar management, prosthetics and orthotics. They also focus on the emotional healing that comes after a burn injury. Patients have access to psychological services as well as school and community re-entry programs to help children adjust to life outside the hospital.

### EDUCATION IS KEY TO BURN PREVENTION

Education and prevention are essential in reducing the number of burn injuries sustained by children and adults every year. Shriners Children's burn care teams work with local organizations to promote health and safety through education and research. They also conduct burn prevention programs for schoolchildren. In addition to supporting the burn care services at Shriners Children's, "On Angels' Wings" seeks to raise awareness and support programs that educate the public on how to keep their families safe from burn injuries.

### ON ANGELS' WINGS

First Lady Judy invites you to join her in making an impact in the lives of our patients. Donors who would like to support Women Impacting Care may purchase "On Angels' Wings" products or make donations online.

*Thank you for your compassion, generosity and support of Shriners Children's.*

# Shriners Children's: A History of Innovation and Excellence in Burn Care

Shriners Children's™ is noted worldwide as a leader in pediatric burn care. Since opening our first pediatric burns hospitals in the 1960s, our healthcare system has been at the forefront of innovative programs and treatment techniques that have both dramatically improved the survival rate for children with severe burns and enhanced their quality of life. Here is a brief look at our work over the decades:

## 1960s

The governing body of the Shriners organization passed a resolution at the Imperial Session in 1962 to build and operate hospitals specializing in pediatric burn care. The first hospital opened in 1962 in Galveston, Texas, followed by additional specialized hospitals in Cincinnati, Ohio, and Boston, Massachusetts, two years later.

## 1970s

Tremendous improvements in survival rates were made, particularly because of innovative research in excision, grafting and intravenous feeding. In addition, pressure garments that helped lessen scarring were developed at the Galveston hospital. Our Cincinnati hospital pioneered skin banking – a precursor to future methods of tissue, bone and skin procurement. In addition, Shriners Children's worked with the United States Fire Administration and Consumer Product Safety Commission to identify burn prevention programs for schools and fire departments. And, our Boston hospital began the first school re-entry program.

## 1980s

Outpatient clinics were added to provide continued care for patients after they have been discharged from the hospital. Researchers at Shriners Children's discovered that early surgical excision of injured tissue and grafting reduces infections, shortens hospital stays and improves cosmetic outcomes for patients. Shriners Children's became leaders in burn prevention, collaborating with the American Burn Association to promote Burn Awareness Week, a national education campaign created to raise public awareness and reduce the number of burn injuries in children.

## 1990s

Treatments became available for non-burn conditions such as port wine stains, congenital ear deformities and other complex wound and skin conditions. In addition, new programs were set up to help burn patients with psychological and social issues, including transitioning back to school and community. In 1996, Shriners Children's Boston collaborated with the American Burn Association to develop an outcome instrument to measure functional outcomes in pediatric burn survivors. And, in 1997, Shriners Children's Northern California opened in Sacramento and soon became the busiest pediatric burn center in the Western United States.

## 2000s

Our hospitals in Boston and Cincinnati received the Press Ganey Summit Award for extraordinary patient satisfaction. All four of the hospitals were recognized as leaders in the field of burn care, with each hospital maintaining a leadership position with the American Burn Association. Shriners Children's Boston, through microfluidics research, developed a microchip device that aids therapeutic strategies for burn patients.

## 2010s

In 2011, Shriners Children's Northern California hosted its first Regional Burn Conference, a continuing education program for physicians, nurses, first responders, therapists and other healthcare professionals. In 2014, David Herndon, M.D., chief of staff in our Texas hospital, was awarded the Medallion for Scientific Achievement by the American Surgical Association and the Tanner-Vanderput-Boswick Burn Prize from the International Society for Burn Injuries. In 2015, John Burke, M.D., former chief of staff at our Boston hospital, was inducted into the Inventors Hall of Fame posthumously for his work with the development of artificial skin. Shriners Children's achieved excellent results using CO2 fractional laser technology to increase function and improve the appearance of burn scars.

## 2020s

In 2021, our Cincinnati hospital moved to Dayton, Ohio. Shriners Children's burns hospitals have continued to offer innovative plastic, laser and reconstructive treatments for patients, including care for complex craniofacial conditions. Our burn care teams have expanded their outreach to countries where burn injuries are more prevalent; international patients are also being treated at our facilities. Shriners Children's researchers continue to pioneer the latest advancements in burn care and conduct outcomes research to improve care for burn survivors.

Shriners Children's looks forward to continuing its legacy of leadership in pediatric burn care.

## Families seeking care for colorectal and gastrointestinal (GI) conditions come to Shriners Children's

Shriners Children's provides innovative and compassionate care for children with bowel disorders or those experiencing problems with their digestive systems. Trouble with bowel control can lead to struggles at home, in school, in friendships, and with emotions, behavior and mental health. Many children can be more active, social, happy and independent if they have a plan for [bowel management](#), with colorectal and gastrointestinal care that works specifically for them.

We bring specialists together to evaluate, diagnose and solve colorectal health issues, from bowel management and motility problems to complex conditions such as Hirschsprung disease, [inflammatory bowel disease](#) and [anorectal malformations](#). We offer long-term care for patients with conditions that they may have been born with, as well as conditions that develop over time. Our ultimate goal is to help children heal, allowing them to enjoy life with the fewest limitations possible.

Our noted team of pediatric surgeons understands the physical and emotional impacts of colon and rectal diseases. They lead a multidisciplinary team of professionals who manage the entire range of care for patients of all ages. Whether it be [complex surgery](#), medical management or social support, our team addresses the individual needs of each child.

When your child is seen in Shriners Children's for a colorectal or gastrointestinal condition, they receive the benefit of collaboration and care planning between [social workers](#), [care managers](#), [child life specialists](#), nurses, [dietitians](#) and physicians. Teams run weekly meetings discussing all upcoming patients to make sure that each child receives the input of each of our team members.

In all cases, the goal is to care for the child's overall health and well-being, providing medical treatment while also setting patients on a path to independence by freeing them from the social stigmas that may leave them feeling ashamed, depressed and alone.

The key to success is dedication, timing and teamwork among the patient, families and medical team. We tailor each child's care plan to their specific needs to provide the best possible outcome.

### About Our Pediatric Colorectal & GI Specialists

Our pediatric specialists on the colorectal and gastrointestinal team care for many patients with colorectal health issues and rare colorectal conditions. They also participate in key consortiums and learning groups, and they contribute to [research](#) studies. Through collaboration with experts at other institutions, our staff has developed a greater understanding of conditions and innovative treatments, all to improve outcomes for children with colorectal disorders.

Our colorectal and gastrointestinal care teams are active members of the [Pediatric Colorectal and Pelvic Learning Consortium](#) (PCPLC), an international group dedicated to furthering research on anorectal malformations, Hirschsprung disease, and other colorectal and pelvic disorders.

### Distinguished Colorectal & Gastrointestinal (GI) Care Center in California

The colorectal and gastrointestinal care center located at [Shriner's Children's Northern California](#) is designated by California Children's Services (CCS) as a Special Care Center. It is the only CCS Special Care Center for pediatric colorectal and gastrointestinal care in California. Families throughout the nation travel to Sacramento for comprehensive, compassionate care.

### Shriners Children's offers an innovative approach for children who need surgery to reposition their jaws to improve bite and appearance.

3D printing for jaw surgeries involves taking three-dimensional X-rays of your child's face and using that information to perform a virtual surgery with computer-simulated software. This virtual surgery is also used to create a dental appliance that can be printed on one of our three dimensional printers. The dental appliance, called a bite splint, is an important tool used during your child's actual operation. Typically occurring when they are an adolescent or young adult, jaw surgery can happen during an important time in your child's life. They could be getting ready to take their yearbook picture or photos for senior prom. At Shriners Children's, our use of three-dimensional tools will not only produce a better outcome from jaw surgery but will give your child back that confidence they need during those memorable moments.

## Khedive Chevys

Hello Nobles, 2024 has been a great year thus far. The Cape Charles parade was a blast. The MASA parade was a bit wet for us and kept us off of the street. And we made a showing at MAHOVA Family Day and joined in the fun and fellowship afterward.

The Chevys Unit is always on the lookout for new members. We have been wrenching on and prepping cars all year. We have Camaros and Corvettes available as we speak that are ready to ride. We can offer in-unit financing to all interested and potential members. We meet on the 3rd Tuesday of each month right here at the Temple and would love to have you if you are interested in being a part of this great Unit.

The Chevys Bourbon Bottle Fundraiser is still happening. We have a handful of these collectable bottles available. These are 2023 Bottles with Illustrious Sir Leon Stocks pin on each bottle. Reach out to any Chevys member if you need a bottle or two.

Our 4<sup>th</sup> Annual Cornhole Festival was held on October 11<sup>th</sup> and 12<sup>th</sup> at the KOA Campground in Virginia Beach. This year's event was highly successful and a great time for all. We had a record number of teams in our Friday Night Blind Draw Tourney and over 120 teams in our Saturday Main Event. A special shout out to the Divan and Nobles of Khedive for their great support this year. We would also like to thank the Ladies of Zulekia Court No. 35 of the L.O.S.N.A. for their continued support of this great event.

The Chevys are looking to wrap up 2024 with a bang. We are looking forward to the Holidays and the fun events scheduled at Khedive. Be on the lookout for us at the Chesapeake Christmas Parade in Great Bridge on December 7<sup>th</sup>. We will be out in full force representing Khedive.

Never forget why we do what we do. We do it for the kids!

Yours in the Faith,

Noble Daniel Ausley, Captain

## Khedive Clowns

The Makeup was hot, and parades were cool for 2024. Super Clown Director Ed Clifton is setting the standard for Clown-Dom. We made Margaritas at the Crab Picking, Cooked Hush Puppies and Oyster Stew at the Sheriff's Picnic and supplied the Bounce House for the Fall Festival.

We are Dressing up for the Urbanna Oyster Festival parade and various Holiday parades. Join Billy, Donnie, Danny, Dave, Ed, Hank, Harry, and Richard, at the Oyster Bowl VIP tailgate Nov 23<sup>rd</sup>.

The Clowns are responsible for the Bounce Houses you have seen at the temple functions. The barbeque sales pay for these, and these are sometimes the only activity for the kids. Please purchase many pounds of the world renowned, award winning "Clown Bar-B-Que" for your next event. Our ancient recipe is often imitated but never duplicated. Give Harry Tew AKA "BOBO" or any Clown a call to hook up. Or just drop by the Temple and our undercover Clown, Leroy Lane, knows where the secret stash is.

If you want to see what it's like to look into a child's eye and make them smile or laugh out loud, this Unit is the Unit for you. I have been there and done that and there is no better feeling in the world. We have professionals who can help you learn the art of make-up and appropriate dress.

The Clowns are always looking for new faces; we meet on the Third Tuesday of each month. Dinner/social 6:30, meeting 7:00. The Unit needs new members. We are one of the oldest Units in the Temple. Do you have what it takes to be a Clown?

I am sad to report that Richard's son Richard Quintilone II, ESQ, passed away last month at the young age of 51. Q-MON and fellow Clowns are saddened with this loss. Please keep Billy, Richard, Dave, and Hank in your prayers, they had body parts replaced and have undergone extensive treatment.

Please keep our Shrine children sick and distressed in your thoughts and prayers. Remember to give thanks to the Men and Women protecting our country and first responders, past and present. Please pray to protect those in harm's way. May God shed His Healing light on our ladies and families, and all God's Children say "Amen".

Hope to see y'all on the streets, Keep Smiling.

## SCOOTER PATROL

Greetings Nobles,

The end of the year is quickly approaching! Before we head into the holiday season, I'd like to share the latest events and accomplishments of the Scooter Patrol. The Scooter Patrol has been equally as busy over the summer and fall as we were when the year first started.

To begin, the Khedive Shrine sponsored the Mid-Atlantic Shrine Association 2024 Fall Festival in Virginia Beach, Virginia. Unfortunately, bad weather was anticipated causing most of our Unit to cancel their participation in the parade. Rain or shine the parade continued, and with the few Nobles that braved the weather to be there, we represented the Scooter Patrol with pride.

A week later, we headed to Myrtle Beach, South Carolina to participate in the Annual South Atlantic Shrine Association 2024 Fall Festival parade. We received first place in the Motor Unit-Mini Scooters category for the second year in a row.

We participated in a few more events including Virginia Beach's Neptune Festival. This was the first time we participated in this local event. We were honored to receive a plaque recognizing our first appearance in their parade. We attended the Masonic Home of Virginia in Richmond, Virginia where we enjoyed representing our local Unit.

Lastly, the Scooter Patrol hosted a dinner for the widows of our fellow Nobles. We were glad to have met the widows who could attend the dinner for the first time. We will always have them and the Nobles who have passed with us in our thoughts and prayers. We hope to have more attend the dinner next year as we would like to make this a yearly event.

There is one last parade that we will be participating in before the year ends in Urbanna, Virginia.

Again, with the end of the year approaching so is the end of my term as Scooter Patrol Captain. It has been a pleasure to serve as Scooter Patrol Captain. I have enjoyed the camaraderie, parades, fundraisers, and fellowship from my fellow Nobles. Have a safe and wonderful holiday season! Take care and God bless.

Alven Caasi - Scooter Patrol Captain 2024

## The Robert Earl Ange, Jr. Memorial Fund

The Robert Earl Ange, Jr. Memorial Fund proudly presented \$1,000 to Shriners Children's Hospital, accepted by Khedive Shrine Temple, Past Potentate J. Leon Stocks. During the presentation, Mr. Stocks shared inspiring stories with Mrs. Ange about the life-changing impact of advanced medical care provided to young patients at Shriners Hospitals. The gift continues a legacy of compassion and hope for children and families.

## Fire Brigade

The fire alarm is ringing!!! Join us every second Tuesday of the month at 7 PM in our Unit room here at Khedive. Great fellowship with a band of brothers. You do not need to be or have been associated with a Fire Department to join our group. If you just want to fellowship around a 1942 Fire Truck this is the Unit for you. Enjoy workdays keeping her running and shining. The best part is riding the truck in our parades. No trailer to haul, nothing to set up take down, just ride!

Our 2025 officers will be Chief Josh Ramsey. He will be assisted at all public meetings by the twins. (As long as his boss Lady Amanda. gives the okay) Assistant Chief will be Noble Jeff Ewell. Word has it, Lady Sandy has fully endorsed this. Noble Rick Dollar will serve as our Brigade Master. He is not quite as old as our Fire Truck but is one of our early year's members. Noble Ray McCoy will continue as our Treasurer/Secretary. Our major 2025 project will be replacing an engine or truck or whatever we must do to have a reliable running Fire Truck. We may need your help and support of our fund raiser.

Our 2024 Christmas Party will be held at Noble Jeff and Lady Sandy's home, Dec 14<sup>th</sup> 6:30 PM until the Unit provided limousine takes the last person home. As usual Noble Ray will be directing the valet parking. Ill. Sir Clif Smith will be doing our installation.

Our congratulations to Ill. Sir John Brown and our dedicated Divan for a fantastic year. We did more "shrining" with your encouragement and fellowship. Noble "Dink" we are looking forward to another wonderful year. We are here to help, please feel free to call us.

Time to return the fire truck to the garage. See you soon.

## Swashbucklers

Dear Nobles,

Time flies by when you are having fun. I would like to thank all my crew for supporting our fundraiser and the parades held during my term of office. My fellow Swashbucklers gave me the name Teach so I hope I lived up to your expectations. I had three guest speakers who were all Shriner patients, and I had several PowerPoints on different pirates throughout history. During this quarter we attended the Fall MASA parade in Virginia Beach, the Suffolk Peanut Festival parade and the Urbanna parade.

We finish my year as Captain with Elections of officers in October, Christmas Party in December to announce the new captain and his shipmates along with an informal get together for Christmas fun at Doug "Skully" Allen's home. Most of all I would like to thank my wife for supporting me in my guy time. I know she truly loves me when she spends the 3rd Wednesday of the month cooking and baking in order for my crew to have a delicious meal before our meetings and as always, a delicious dessert for every meeting. My son Paul aka Shark Bait really loved that I was the Captain of the Swashbucklers. Paul loved being a pirate on the Bounty of Hope and enjoyed every moment he was on our ship with my crew.

I want to thank the crew for accepting me as your Captain for the year and my family. We really enjoyed our year! I really want to thank Hiran for stepping up and helping along with Past Captain Wayne Sherman who kept me moving forward and their presence at many events I could not attend. I humbly apologize for not being able to attend many other events outside the realm of the Khedive Swashbucklers. I am still working on putting my family first, especially my wife who has taken care of me 20 plus years and as she celebrated her 10th year stroke anniversary March 3, 2024. My wife has come a long way relearning many things to include walking and talking. As I step down as Captain in December, I will cherish all my memories as Captain and thank all my fellow Swashbucklers for supporting me. Have a great rest of 2024, Happy Holidays and Happy New Year.

Captain Tim "Teach" Wolf

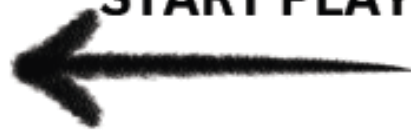

# VIRGINIA HAS BANNED ALL SKILLED GAME MACHINES

ATTENTION ALL NOBLES... OPPORTUNITY IS KNOCKING

The Khedive Shrine, renowned for its charitable endeavors and community involvement, has recently launched an innovative and fully legal online skilled gaming platform. This cutting-edge digital venture offers a variety of engaging and skill-based games, meticulously designed to ensure a fair and enjoyable experience for all participants. The platform operates in full compliance with legal regulations, guaranteeing a trustworthy and secure gaming environment.

What sets this platform apart is its noble purpose: the proceeds generated from the gaming activities are directly channeled into supporting and expanding the Khedive Shrine's various philanthropic projects.

This initiative not only provides an entertaining outlet for participants but also serves as a meaningful way to contribute to the growth and impact of the organization.

By participating in these games, users are not just indulging in a leisure activity but are also playing a vital role in aiding the Khedive Shrine in its mission to make a positive difference in the community.

## Roadrunners

Season Greetings, Nobles,

The Roadrunners is one of your temple's Clubs consisting of the drivers that transport our Shriners Children's Hospitals' patients to our hospitals. You could say that we are the boots on the ground guys. The drivers pick up our patients and parents/guardians from their homes, transport them to their hospital appointments and return them home. The Khedive Transportation Office (aka Nancy Lane) makes the hotel reservations for us and provides us with the vans and necessary support which includes the cost of all meals, fuel, and tolls. Trips are usually 2 days. Trips sometimes are completed in a single day and occasionally they are longer than 2 days.

Roadrunners are a small group and could use more drivers to ease the strain. We understand that most Nobles have jobs and other obligations which make it difficult to step up and volunteer for multiple days at a time. If you do have spare time to give, we could use your help in getting our children to the hospitals. You will get to see just how your efforts to make this possible pay off for our children. It is a very gratifying experience to personally witness and see what we as Shriners are all about. If this is something that you would like to do, give Khedive Shriners a call at 757-420-4510 and request to speak with Transportation.

On another note, we need patients. We currently have approximately sixty patients. There must be a lot more children in our community that would benefit from the services our hospitals provide. Services include treatments and therapies for burns, orthopedics, spinal cord injuries, and cleft lip & palate. For a complete list of conditions, visit the website <https://www.shrinerschildrens.org/en>. Also, feel free to contact our Transportation office for more information.

We received a Chevrolet Express 12-passenger van recently to replace the Ford Flex. This van provides more room than the smaller vans that we own. Also, it is beautifully wrapped identifying it as our temple's van and contains three images of patients. I have included a photo with the submission of this article. Hopefully, the photo will be included with this article. If not, go to our temple's Facebook page and look for a post that is dated September 11. You will be able to view the photo there.

Mark your calendars for a special event on Saturday, March 29. It is our Admirals Hockey Night game at Norfolk Scope. This event is our one and only fundraiser for the year. Tickets will be available in early January. More details will be forthcoming.

At our past meeting, we held our election of officers for the upcoming year. David Sawyer was elected president, Bruce Lowery vice president and Joe Harris reelected as secretary/treasurer. They will be installed at the next meeting.

The next meeting is Saturday, January 4<sup>th</sup> at 9:00 a.m. in the Provost room. All nobles are invited to attend. We will have donuts, coffee, and soft drinks to help get your day started. It is especially important that all members attend this meeting. We will be rolling out the details of our Admirals Hockey Game fundraiser and distributing tickets to sell. It takes all of us to make sure this fundraiser is a tremendous success. In closing, we wish all of you and yours a joyous and safe holiday season.

Yours in the Faith,  
David Sawyer  
President-Elect

## CHESAPEAKE SHRINE CLUB

Well, it seems another year has come and gone. I want to congratulate soon to be Past President Jon Stillman on a good year. Let’s do a little recap. The 2024 Oyster Roast, what can I say? After three months of weather forecasts telling us how bad the weather was going to be, even though it was not that bad the damage was done. So as to not cry too much we did make a couple of nickels to scrape by. Thanks to everyone who helped in any manner. Next year’s roast will be held on March 29<sup>th</sup>, 2025. Please mark your calendar.

Next up the Rodeo again what can I say? The Shrine Club, hell the entire Temple really stepped up and made this a two-day event that set attendance records. Thanks to everyone that assisted with this as well.

Moving on once again, Shrine Club monthly attendance is still in the dumper. I really don’t know what we can do to spark attendance. Do you? Not much more to talk about except to wish all of our Shrine family a very, very Merry Christmas and a prosperous and healthy New Year. One more thought, a number of our Brothers and Sisters are getting older so let’s not forget about them this Holiday Season, give them a call. To many of them the Shrine is all they know. Remember as always, your Lodge needs Masons and your Temple needs Candidates. Chesapeake Shrine Club meets the third Monday of the month. The social begins at 6:00 with dinner being served at 7:00. We’ll leave the light on for ya.

Yours in the Faith,

*Joe Ramsey*

## KHEDIVE TRANSPORTATION

Greetings Nobles, as most know we purchased a new van for hospital transportation. By the photos you can see that the van has already been wrapped. The new Van is a Chevrolet 2023 Express. The van has already made a few trips to Greenville, SC, and a Parade. Thank you to the following Units and Clubs who sponsored the wrap: Teocalli #17, Order of Quetzalcoatl, Chesapeake Shrine Club, Provost Guard, Roadrunners Club, Motor Corps and Legion of Honor.

### **DRIVERS WANTED**

Do you have some time to spare? We need drivers; most trips are overnight with occasionally a three-day trip to the new hospital in Dayton. You can contact Nancy Lane at (757)420-4510 email [transportation@khediveshrine.org](mailto:transportation@khediveshrine.org), email me at [pete.gordon1@verizon.net](mailto:pete.gordon1@verizon.net) or stop by the transportation office for driver applications.

## Shriners Children’s is a Recognized Leader in Burn Care

Since opening the first Shriners Children’s hospitals dedicated to treating children with burn injuries in the mid-1960s, our physicians and care teams have contributed to most of the significant advancements in acute and reconstructive burn care. They draw on their own pioneering work when they treat a child for a burn, which can include acute care, wound care, scar management and reconstructive surgeries.

Specialized Services Our highly trained and experienced medical teams provide critical, surgical and rehabilitative care to children with varying degrees of new and healed burns, as well as burn-like conditions that can be treated with the same plastic, laser and reconstructive techniques used for burns. Specialized treatment is available for:

- All levels and types of burn injuries
- Skin grafting
- Healed burns
- Scarring that has caused contractures or limited mobility
- Smoke inhalation
- Facial scarring or deformities
- Congenital hairy nevus
- Port wine stains and hemangiomas
- Complex skin conditions
- Congenital ear deformities

Shriners Children’s shares its expertise in burn care and research through academic affiliations with
